#### Services Provided

The District was organized to provide construction, installation, financing and operation of public improvements, including water, wastewater, streets, park and recreation facilities, and other improvements needed for the District. The District was organized in conjunction with two other related districts, Bradburn Metropolitan District No. 1 and Bradburn Metropolitan District No. 3. Under the Consolidated Service Plan, as amended by a Second Modification dated August 22, 2016, District No. 1 is the Operating District, District No. 2 is the Financing District, and District No. 3 operates as an independent district. The District's service area is located entirely within the City of Westminster, Adams County, Colorado.

The District was formed by Court Order on November 28, 2000, with its formation election held on November 7, 2000. The election approved general obligation indebtedness of \$8,000,000 for street improvements, \$1,000,000 for traffic safety, \$5,500,000 for parks and recreation, \$2,500,000 for water supply system, \$2,500,000 for sanitary sewer system, \$1,000,000 for television relay system, \$1,000,000 for public transportation, \$500,000 for mosquito control, \$26,000,000 for debt associated with intergovernmental contracts, \$23,500,000 for refinancing of District debt, and \$2,500,000 for general operations and maintenance. The election also approved an annual increase in taxes of \$100,000 for general operations and maintenance, and \$2,500,000 in revenues other than ad valorem taxes.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

In 2019 Bradburn Metropolitan District No. 1 ("The District") started the dissolution process. Pursuant to the District's Service Plan approved by the City on September 11, 2000, as subsequently amended, subsequent to the financing and construction of the public improvements set forth in the Service Plan and upon the full payment or discharge of all its outstanding indebtedness and other financial obligations and upon completion of construction of all services and facilities, the District is to undertake effort for dissolution. A majority of all of the members of the Board of Directors deem it to be in the best interest of the District that it be dissolving. The District provides no services within its boundaries and all services authorized to be provided by the District are provided by Bradburn Metropolitan District No. 2 and Bradburn Metropolitan District No. 3, and as a result, no plan for the continuation of the District's services is necessary. The District does not have any outstanding bonds or other financial obligations, and possesses no assets requiring disposition prior to dissolution. Upon dissolution, the District's Board of Directors will immediately and permanently dissolve and none of members thereof will continue in the office.

In 2019 Bradburn Metropolitan District No. 2 started to operate as an independent district.

#### Revenues

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District's maximum Required Mill Levy is 50.000 mills, adjusted for changes in the ratio of actual value to assessed value of property within the District. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due and payable. As of December 31, 2024, the adjusted maximum mill levy for debt service is 67.370 mills.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount

#### **Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County.

The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by the District. The specific ownership taxes are pledged for the repayment of bonds; therefore, they are reported in the Debt Service Fund.

#### **Investment Income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4.00%.

#### **Expenditures**

#### **General and administration Expenditures**

Principal and interest payments due this year are provided based on the debt amortization schedule from the Series 2018A Bonds (discussed under Debt and Leases).
